TRIP CANCELLATION AND INTERRUPTION INSURANCE

We highly recommend that you purchase comprehensive accident, medical, baggage and trip cancellation/interruption insurance when space is reserved. If a pre-existing condition exists most trip cancellation insurance companies will honor these situations if insurance is purchased within 10 days of making your deposit. Trip insurance will protect you from financial disappointment in the event unforeseen circumstances prevent any adventure travel itinerary or vessel from making its scheduled trip. **Aquatic Adventures** will NOT be liable in the event you miss your trip and/or for any of the following expenses including but not limited to, transportation, hotel nights, meals, etc., that are not included in your itinerary. Any and all costs due to the delay of a trip, including but not limited to bad weather, airline delays, adverse itinerary conditions, illness, etc. Any costs required for excess baggage, lost or forgotten personal items or shipping fees. There will be no refund or credit issued in the event it is necessary to cancel or interrupt a trip and/or charter itinerary due to weather or any matter beyond the control of **Aquatic Adventures** and/or any of its' affiliates. We also highly recommend diving accident insurance should you be diving on your scheduled trip. Please inquire with our reservation office for assistance.
